

TOGETHER AGAIN!

Let's gather to celebrate the life-changing impact that AmeriCares programs provide! Though we won't be in an airplane hangar in New York on October 2, this year's Airlift Benefit still gives us an opportunity to come together at parties across the country.

We invite our community members to host watch party experiences in their homes or other private spaces with a group of friends.

We will provide the food, beverages and AmeriCares flair. You provide the guests and the passion for what can be accomplished when we come together. The size and scale of the evening is up to you.

When you host a watch party experience, you and your guests will have a chance to connect with AmeriCares leadership from the comfort of your party. We will drop in on watch parties throughout United States during the livestreamed Airlift Benefit on October 2.

WE HOPE TO SEE YOU THERE!

Watch party commitments begin at \$12,000 for 10 people and continue up; we can accommodate groups of 20 or more.
