Americares Airlift Benefit Design RFP February 7, 2022

Assignment: Americares is seeking an artist and/or graphic designer to develop a visual identity design for the 2022 Americares Airlift Benefit, an annual fundraising event with in-person and online components. Each year we create a unique Airlift Benefit environment with visual references to themes and geographies we'll be emphasizing in communications throughout that year's event and across all communication materials leading up to the event, as well as the livestream and digital environments.

About Americares: Americares is a health-focused relief and development organization that saves lives and improves health for people affected by poverty or disaster so they can reach their full potential. Americares carries out health programs in over 20 countries, including Colombia, El Salvador, Haiti, India, Liberia, Malawi, the Philippines, Tanzania and the United States, including Puerto Rico. Since its founding in 1979, Americares has provided more than \$20 billion in aid to 164 countries.

About the Airlift Benefit: Now in its 36th year, this annual fundraising event celebrates the organization's life-changing health programs and the health workers and local partners who make them happen. Importantly, the event engages our audience of donors, which includes individuals, foundations and corporations. Though the Airlift Benefit itself occurs on a specific date, we're communicating and promoting the event – engaging our audience – for nine months, starting with a save the date, continuing with a registration website, collateral for group fundraising and an invitation and culminating in a live event with on-screen animations, speaker and topic slides, videos and more. See the [2020](#) and [2021](#) events online.

The event for approximately 900 guests is typically held in an airplane hangar; at the end of the event, a chartered jet leaves from the venue carrying a group of about 80 supporters to see the work they support firsthand, most often in Central America or the Caribbean as this is a 24-hour experience. Guests meet staff and patients at the health clinics Americares supports. No one ever forgets this trip, during which they see firsthand the impact of their donations. Because this aspect of the event is so key to its identity, designs traditionally consider how the "airlift" theme may be included in design elements or as a key visual element (i.e. a stylized plane).

The visual design is a through-line for every part of donor outreach beginning in May and including the event in October; it also makes the 2022 event distinct from previous Airlifts. The design should speak to this year, 2022.

Scope of Services and Deliverables: The deliverable is an Adobe Illustrator or similar vector file that includes an illustration with related motifs used in a repeat pattern; the overall design should include relevant icons, figures or shapes that can be pulled out and applied singly, including an airplane. The design should be lively and colorful (using Americares color palette), as this is a party as well as fundraiser for a global health organization.

If you're selected, Americares will provide you with a full creative brief and make ourselves available for a discussion of ideas and approaches.

A first draft will be due two weeks from Americares delivery of the creative brief and discussion. Americares will provide feedback and ask for any revisions. A revised and final file will be due one week after feedback is provided and will reflect the feedback.

The Contractor acknowledges that time is of the essence with respect to the work. The Contractor shall be liable for default for any material failure to perform in accordance with the terms of this Contract unless such non-performance is caused by an occurrence beyond the Contractor's reasonable control and without the Contractor's fault or negligence, including acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather.

E. INSPECTION AND ACCEPTANCE

From time to time during the Term, either Party ("Disclosing Party") may disclose or make available to the other Party ("Receiving Party") information about its business, confidential intellectual property, trade secrets, third-party confidential information and other sensitive or proprietary information, whether orally or in written, electronic or other form or media, and whether or not marked, designated or otherwise identified as "confidential" (collectively, "Confidential Information"). Confidential Information shall not include information that, at the time of disclosure:

- i. is or becomes generally available to and known by the public other than as a result of, directly or indirectly, any breach of this clause by Receiving Party or any of its representatives;
- ii. is or becomes available to Receiving Party on a non-confidential basis from a third-party source, provided that such third party is not and was not prohibited from disclosing such Confidential Information;
- iii. was known by or in the possession of Receiving Party or its representatives prior to being disclosed by or on behalf of Disclosing Party;
- iv. was or is independently developed by Receiving Party without reference to or use of, in whole or in part, any of Disclosing Party's Confidential Information; or
- v. is required to be disclosed pursuant to applicable federal, state or local law, regulation or a valid order issued by a court or governmental agency of competent jurisdiction.

Receiving Party shall:

- i. protect and safeguard the confidentiality of Disclosing Party's Confidential Information with at least the same degree of care as Receiving Party would protect its own Confidential Information, but in no event with less than a commercially reasonable degree of care;
- ii. not use Disclosing Party's Confidential Information, or permit it to be accessed or used, for any purpose other than to exercise its rights or perform its obligations under this Agreement; and
- iii. not disclose any such Confidential Information to any person or entity, except to Receiving Party's representatives who need to know the Confidential Information to assist Receiving Party, or act on its behalf, to exercise its rights or perform its obligations under the Contract.

Receiving Party shall be responsible for any breach of this clause caused by any of its representatives. At any time during or after the term of this Agreement, at the Disclosing Party's written request, Receiving Party and its Representatives shall promptly return to Disclosing Party all copies, whether in written, electronic or other form or media, of Disclosing Party's Confidential Information, or destroy all such copies and certify in writing to Disclosing Party that such Confidential Information has been destroyed. Disclosing Party may seek equitable relief (including injunctive relief) against Receiving Party and its representatives to prevent the breach or threatened breach of this clause and to secure its enforcement, in addition to all other remedies available at law.

H. WORK PRODUCT/INTELLECTUAL PROPERTY

"Work Product" shall consist of all deliverables and other data, information, designs, know-how, software, inventions, and other material and intellectual property in all media and forms now known or hereafter developed or prepared in the course of, or resulting from, the performance of this Contract and modifications to the Contract. By accepting this Contract, the Contractor acknowledges that:

- i. **Americares**, or such party as **Americares** may designate, shall retain all title to and all rights in any Work Product provided under this Contract;
- ii. Work Product shall be the sole and exclusive royalty-free property of **Americares**, or any party that **Americares** designates, and shall be deemed to be a "work made for hire" in the course of performance hereunder. This shall include intellectual property not first developed in the course of, or resulting from, the performance of this Contract, but which is incorporated in any deliverable provided by the Contractor to **Americares** hereunder;
- iii. If title to any Work Product may not, by operation of law, vest in **Americares**, all title to and rights and interest therein are hereby irrevocably assigned by the Contractor to **Americares**, or such party as **Americares** may designate;
- iv. The Contractor agrees to take all such other actions as may be reasonably requested by **Americares** to carry into effect the provisions of this Work Product/intellectual property requirement, including, without limitation, the execution of assignments, copyright registrations, and patent applications.

The Contractor further represents and warrants that the Work Product delivered to **Americares** does not infringe the rights of any other party and the Contractor is the sole proprietor of the Work Product with full power and authority to enter into this Contract.

I. RELATIONSHIP

It is understood and agreed that the Contractor is furnishing the goods and/or services under this Contract as an independent entity, and nothing contained in this Contract will create any association, partnership, joint venture, employer-employee or agent-principal relationship. The relationship established by this Contract shall be solely between **Americares** and the Contractor; with the Contractor retaining full and complete liability for the actions or inactions of any subcontractors or agents. Neither Party has any express or implied right or authority to assume or create any obligations on behalf of or in the name of the other Party or to bind the other Party to any contract, agreement or undertaking with any third party.

J. SUBCONTRACTORS

Prior to the commencement of any work by any Subcontractor, Contractor shall enter into a written agreement with such Subcontractor that binds the Subcontractor to terms that are at least as protective of the rights and information of **Americares** under this Contract. Contractor's engagement of a Subcontractor does not relieve Contractor of its obligations under this Contract. Contractor shall remain fully responsible for the performance of each Subcontractor and its employees and for their compliance with all of the terms and conditions of this Contract as if they were Contractor's own employees. Nothing contained in this Contract creates any contractual relationship between **Americares** and any Subcontractor.

K. ASSIGNMENT OF RIGHTS

Contractor may not assign its rights or responsibilities under this Contract without the prior written consent of **Americares**.

L. TERMINATION FOR CONVENIENCE

Americares reserves the right to terminate this Contract, or any part thereof, for its sole convenience via issuance of written notice to the Contractor. Upon receipt of such notice the Contractor shall, unless the notice directs otherwise, stop all work hereunder and cause any and all of its suppliers and Subcontractors to cease work as soon as possible no more than 5 business days from receipt of notice from **Americares**. In the event that the Contract is terminated for convenience, **Americares** shall pay the Contractor for those costs incurred in direct relation to the work being performed, at the rate(s) agreed to in the Contract, up to the date of termination less the amount of any payments made to Contractor prior to the date of the termination. The Contractor shall not be paid for any work performed or costs incurred which reasonably could have been avoided, nor for any orders for materials or supplies placed after written notice of termination was issued by **Americares**. The Contractor shall not be entitled to any claim or claim of lien against **Americares** for any additional compensation or damages in the event of such termination and payment. Termination of this Contract will not constitute a waiver of any of the terminating Party's rights or remedies under this Agreement, at law, in equity or otherwise.

M. TERMINATION FOR CAUSE/BREACH OF CONTRACT

Americares reserves the right to terminate this Contract, or any part thereof, for cause in the event that:

- i. The Contractor defaults, fails to perform, fails to comply with any of the contract terms and conditions, or prevents any other party to the Contract from being able to perform its obligations;
- ii. The Contractor becomes insolvent or is generally unable to pay, or fails to pay, its debts as they become due;
- iii. The Contractor files or has filed against it, a petition for voluntary or involuntary bankruptcy or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law; or
- iv. The Contractor is in breach of, or threatens to breach, any representation, warranty or covenant of Contractor under this Contract and either the breach cannot be cured or, if the breach can be cured, it is not cured by Contractor within a commercially reasonable period of time under the circumstances, in no case exceeding ten business days following Contractor's receipt of notice of such breach.

Any termination under this section is effective on Contractor's receipt of **Americares'** notice of termination or any later date set out in the notice. Upon receipt of such notice the Contractor shall, unless the notice directs otherwise, immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. In the event that the Contract is terminated for cause, **Americares** shall not be liable to pay the Contractor any amount for supplies or services that had not yet been accepted by **Americares** at the time written notice was issued. In addition, **Americares** may seek damages adequate to cover economic losses resulting from the breach of contract and the Contractor shall be liable to **Americares** for any and all rights and remedies provided by law. If it is determined that the Contract was improperly terminated for default, such termination shall be deemed a termination for convenience. Termination of this Contract will not constitute a waiver of any of the terminating Party's rights or remedies under this Contract, at law, in equity or otherwise.

N. INDEMNIFICATION

Subject to the terms and conditions of this Contract, the Contractor ("Indemnifying Party") shall indemnify, defend and hold harmless **Americares** and its officers, directors, employees, agents, affiliates, successors and permitted assigns (collectively, "Indemnified Party") against any and all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including attorneys' fees, fees and the costs of enforcing any right to indemnification

under this Contract and the cost of pursuing any insurance providers, incurred by Indemnified Party/awarded against Indemnified Party (collectively, "Losses"), relating to/arising out of or resulting from any Claim of a third party alleging:

- i. Breach or non-fulfillment of any representation, warranty or covenant or any under/representation or misrepresentation of any warranty set forth in this Contract by Indemnifying Party or Indemnifying Party's personnel; or
- ii. Any negligent or culpable act or omission of Indemnifying Party or its personnel, including any recklessness or willful misconduct in connection with the performance of its obligations under this Contract; or
- iii. Any bodily injury, death of any person or damage to real or tangible personal property caused by the negligent acts or omissions of Indemnifying Party or its personnel; or
- iv. Any failure by Indemnifying Party or its personnel to comply with applicable laws.

O. INSURANCE

In addition to any other insurance coverage required by Law, the Contractor shall, at all times during the period of performance of this Contract, carry and maintain adequate insurance to cover any and all claims, losses or damages arising from activities conducted for the purposes of this Contract and at Americares request, provide Americares with certificates establishing proof of such insurance.

P. FURTHER ASSURANCES

On **Americares** reasonable request, Contractor shall, at its sole cost and expense, execute and deliver all such further documents and instruments, and take all such further acts, necessary to give full effect to this Contract.

Q. LICENSES & PERMITS

Contractor shall, at its own expense, maintain all certifications, credentials, licenses and/or permits necessary to conduct its business relating to this Contract. Contractor shall also ensure that its employees, Subcontractors, and equipment are properly licensed and permitted as required by all jurisdictions where work is conducted in fulfillment of this Contract.

R. RIGHT TO AUDIT

At any time during the term of this agreement upon advance written notice, Contractor shall allow **Americares**, its management, its auditors and/or its regulators, to inspect, examine, test and audit (each, an "Audit") Contractor's and its subcontractors' operations, procedures and business records that are relevant to the services provided hereunder by Contractor.

S. ELIGIBILITY TO RECEIVE FUNDING OR PAYMENT FROM **Americares**

By signing this Contract the Contractor certifies that neither it, nor any of its principals:

- i. are presently debarred, suspended, proposed for debarment, or otherwise declared ineligible for the award of contracts by any applicable authority or institution; including but not limited to the US Federal Government; and
- ii. have been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction;

Americares shall not be responsible for any costs incurred in connection with the work of any Contractor or subcontractor that cannot certify all of the above or that falsely certifies the above.

T. EXECUTIVE ORDER ON TERRORISM FINANCING

U.S. laws prohibit transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. It is the legal responsibility of the Contractor to ensure compliance with those Executive Orders and Laws by ensuring that any and all potential subcontractors are checked against the applicable watch lists to verify that they are not associated with any terrorist organizations prior to issuing any subcontract. This provision must be included in any lower-tiered contracting instruments issued under this Contract.

U. TRAFFICKING IN PERSONS/ PROHIBITED LABOR

Americares has a zero tolerance policy regarding all forms of trafficking in persons, including but not limited to: forced labor, sex trafficking, bonded labor, debt bondage among migrant laborers, involuntary domestic servitude, forced or indentured child labor, and child soldiers. If the Contractor or their employees is found to have violated this provision, **Americares** is authorized to terminate all active contracts without penalty, and is also authorized to pursue any other remedial actions authorized as stated in section 1704(c) of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112- 239, enacted January 2, 2013).

V. ANTI-BRIBERY/ KICKBACK /LOBBYING CERTIFICATION

- i. have not and will not pay, offer to pay, or authorize the payment directly or indirectly of any monies or things of value to any government official or employee, or to any political party or candidate for political office for the purpose of influencing any act or decision of such official or of the Government and that Contractor or any agents thereof, are not and will not become an official or employee of the Government during the term of this Contract;
- ii. have not and will not solicit or attempt to solicit any additional personal compensation, credit, gift, gratuity, or thing of value directly or indirectly, from any **Americares** employee in order to obtain or retain business or direct business to any person and that Contractor or any agents thereof, have not and will not include, directly or indirectly, the amount of any bribes or kickbacks in the price of this Contract; and
- iii. will notify **Americares** immediately if any **Americares** staff member requests any form of gift, commission, or personal discount.

The Contractor shall notify **Americares** in writing immediately of any change in circumstances that renders any representation or warranty made in this section inaccurate or incomplete. In no event shall **Americares** be obligated under this Contract to take any action or omit to take any action which **Americares** believes in good faith would cause it to be in violation of any laws, including without limitation the U.S. Foreign Corrupt Practices Act.

W. COMPLIANCE WITH LAWS – APPLICABLE TO ALL CONTRACTS
